## CHILDREN'S PRODUCTS

**A BRAND THAT SETS STANDARDS:  
SAFETY AND DESIGN SINCE 1978.**

*Established 38 years ago, the CONCORD brand has become one of Europe's longest established and most prestigious suppliers of children's equipment. Since embarking on its story of success back in 1978, CONCORD has developed into a market leader and a driver of innovation for safety-related products in Germany and Europe.*

*As a supplier of systems, the CONCORD brand has been supporting young families right from their very first trip with their newborn baby. We attach great importance in the development process to ensuring that our products can be combined with one another as required. With our TRAVEL SYSTEM for buggies and car seats, CONCORD offers an individually customisable range of products for every life situation.*

*Research is treated as a top priority across the whole company. With regard to the inclusion of innovative materials or design solutions in order to increase the safety of a product, CONCORD can claim to have occupied a pioneering role for several years as a driver of innovation. All of CONCORD's products are developed and designed in Germany. At our in-house crash facility, one of the most modern in the whole of Europe, our children's car seats are comprehensively put through their paces.*

*Furthermore, CONCORD products are distinguished not just by their ability to hold their value but also their carefully devised functionality and high-quality design. These high standards set by our newly developed products are demonstrated year after year in all of the major consumer tests and design competitions. Why not find out for yourself? In our extensive range of car seats (our DRIVING category), pushchairs (MOVING category) and household accessories (LIVING category), parents will find all the clever and functional everyday aids that fit their family's particular lifestyle.*

*We hope you enjoy browsing through our complete 2016/17 season catalogue.*

## VERIFIED QUALITY

*When they buy CONCORD PRODUCTS, parents are paying for verified safety – including in terms of their outstanding material properties. The production, composition and safety of all materials used in CONCORD car seats, pushchairs and lifestyle products are continually tested and confirmed both internally and by independent testing institutes (for example, by Germany's "Stiftung Warentest" consumer organisation).*

# SAFETY IN TOP FORM

*CONCORD child car seats*

---

FOR MAXIMUM SAFETY, HIGH LEVELS OF COMFORT, AND OPTIMUM EASE OF USE. WHEN IT COMES TO CHILDREN'S CAR SEATS, WE DEMAND THE VERY BEST. *The set contains practical accessories as standard: with a rain cover and an awning, you're equipped for all weather.*

### BABY CAR SEAT AIR.SAFE

*With the TRAVEL SYSTEM adapter, the AIR.SAFE baby car seat can be attached to the CONCORD NEO buggy in a single operation. Its low weight of only 2.9 kg means it can be carried and transferred from car to buggy effortlessly.*

### FOLDING CARRYCOT SCOUT

*The SCOUT folding carrycot turns the CONCORD NEO buggy into a pushchair. Its central hinge means it can be folded up extremely small; baby enjoys maximum comfort and well-being – at home and on the move.*
