_ THANK YOU!

Thank you for purchasing a CONCORD quality product. You will be amazed about the versatility and safety of this product.

We hope that you will enjoy using your new CONCORD RIO.

_ OVERVIEW

_ NOTES

ATTENTION!

- Please read this user manual carefully before using the CONCORD RIO, and make sure to store it for later reference.

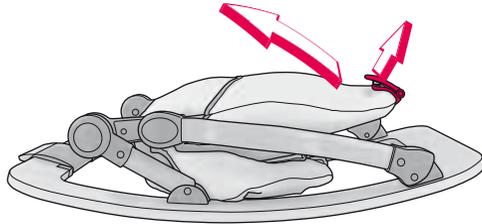

ATTENTION!

- Never leave your child sitting or laying unattended in the CONCORD RIO.
- The CONCORD RIO is not recommended for use with children that can sit unassisted.
- The CONCORD RIO is not suitable for children over 6 months and/or a body weight over 9 kg.
- Positioning the CONCORD RIO on raised areas (e.g. steps, furniture, etc.) may be hazardous.
- Never leave your child sitting or laying in the CONCORD RIO without the harness engaged. Utilise the harness system at all times.
- Only one child is permitted to sit or lay in the CONCORD RIO at a time.
- This product is not intended as a sleeping place. Place your child into an appropriate crib or bed for sleeping.
- The back rest of the CONCORD RIO must only be adjusted when no child is sitting or laying in it.

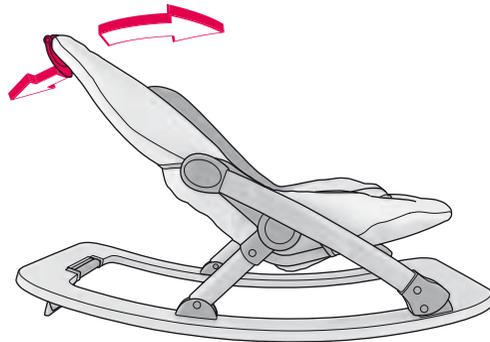

Non-compliance with the instructions in this manual may affect the safety of your child!

_ FOLDING AND UNFOLDING THE CONCORD RIO

Pull the locking lever (06) on the reverse of the back rest to unfold the CONCORD RIO. Pull the back rest backwards until it locks into the desired position.

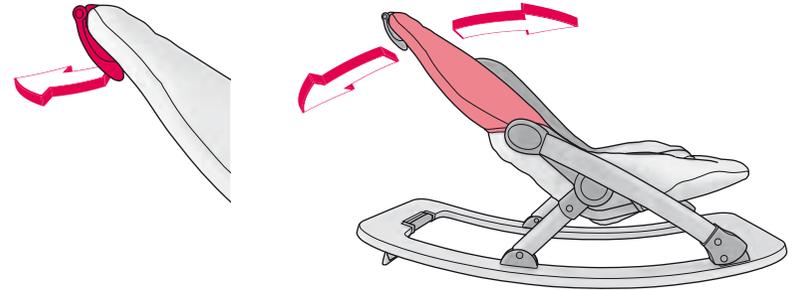

Pull the locking lever (06) on the reverse of the back rest to fold the CONCORD RIO. Push the back rest forward until the CONCORD RIO is folded flat.

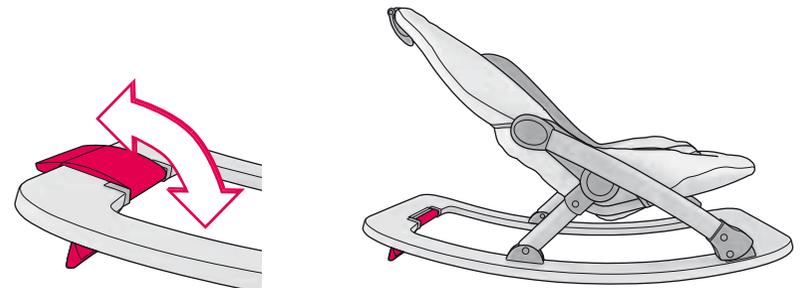

_ ADJUSTING THE BACK REST

The back rest of the CONCORD RIO can be locked in three positions. Pull the locking lever (06) on the reverse of the back rest. Move the back rest into the desired position and lock it into place.

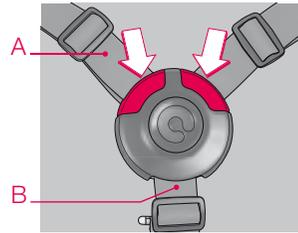

_ IMMOBILISING THE CONCORD RIO

Turn the support wedge (05) on the timber frame of the rocker downward to immobilise the CONCORD RIO, i.e. to prevent rocking.

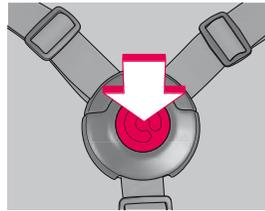

_ USING THE HARNESS SYSTEM

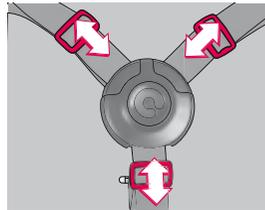

Bring the centre harness (B) with the harness lock forward between the legs of the child. Insert the harness lock adapter of the lap harness (A) into the relevant openings on the top of the lock and listen for an audible click.

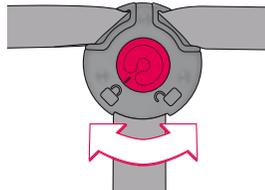

Press the button in the middle of the harness lock to open the harness system (04) until the adapters are released from the lock. Make sure that your child wears the locked harness whenever it is sitting in the CONCORD RIO.

Adjust the harness straps to sit snug on the body of your child. Move the belt clips up or down to adjust the harness length. Ensure that none of the harness straps are twisted.

There is a child lock on the reverse of the harness lock. This child lock can be activated or deactivated by twisting it. When activated, the child lock blocks the opening mechanism on the harness lock.

WARNING!

Only use the lap harnesses in conjunction with the centre belt.

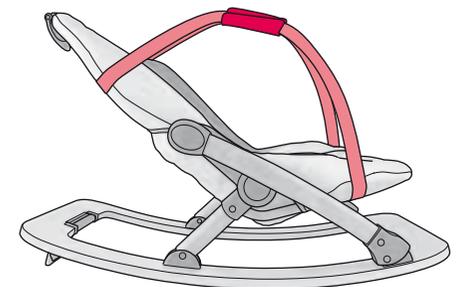

_ USING THE SEAT MINIMISER

The CONCORD RIO is equipped with a seat minimiser (03) for very small children. This comfortably padded cover element can be placed into the seat bowl of the CONCORD RIO. Thread the centre strap with the harness lock through the relevant opening in the seat minimiser.

_ USING THE CARRY STRAPS

The CONCORD RIO comes equipped with carry straps (07). Make sure to lift the CONCORD RIO always with both carry straps (07) at the same time.

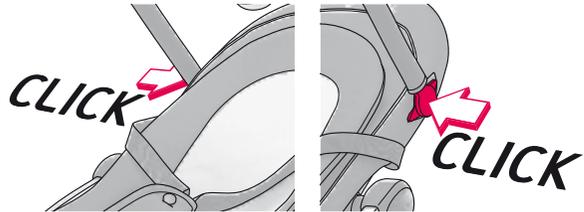

_ USING THE TOY BAR

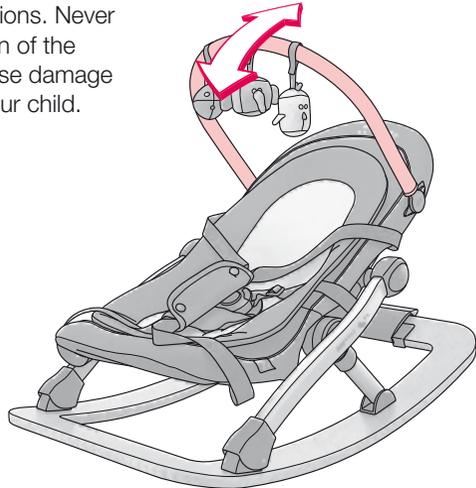

WARNING!

To prevent possible injury by entanglement, remove this toy when the child starts trying to get up on its hands and knees in a crawling position.

Thread the attachments (02) of the toy bar (01) through the relevant openings in the cover and clip them onto the pipe frame of the CONCORD RIO.

The toy bar (01) for the CONCORD RIO can be locked in various positions. Never use force to adjust the position of the toy bar. Brute force could cause damage and endanger the safety of your child.

_ CLEANING THE COVER

The cover of the CONCORD RIO is removable and machine-washable.

Remove the seat minimiser (03) first.

Fold up the CONCORD RIO completely to remove the cover. Open the Velcro fastener underneath the locking lever (06) on the reverse of the back rest. The cover can now simply be pulled off the frame.

Wash separately at 30°C, do not bleach, do not iron, do not dry-clean, do not use dryer, do not use spinning cycle!

_ WARRANTY

The guarantee begins on the day of purchase. The guarantee period corresponds to the statutory warranty period in the end-user's country concerned. At the manufacturer's discretion, the guarantee shall cover rectification, replacement or a price reduction.

The guarantee is valid for the original purchaser only. In the event of any defect, claims can not be considered unless the specialist dealer is notified of the fault as soon as it occurs for the first time. If the specialist dealer is unable to remedy the problem himself, he must return the product to the manufacturers together with details of the complaint, official proof of purchase and the purchase date. The manufacturers assume no liability for faulty goods that they did not supply.

The guarantee does not apply where:

- the product has been modified;
- the product is not brought back to the specialist dealer complete with proof of purchase within 14 days of the defect occurring;
- the defect was caused by improper usage or maintenance or due to anything else deemed to be the fault of the user, in particular failure to comply with the instructions for use;
- repairs have been carried out on the product by third parties;
- the defect was caused as the result of an accident.
- the serial number has been damaged or removed

The guarantee makes no provision for any alteration or deterioration to the product that is incurred through normal usage (wear and tear). The period of guarantee shall not be extended by any remedial measures carried out by the manufacturers in the event of a claim.
