TRANSFORMER X-BAG

Group: II/III / Weight: 15 up to 36 kg / Age: 3 up to 12 years

SOUND TRIPLE PROTECTION

With the new TRANSFORMER X-BAG continues the successful TRANSFORMER seat concept. The TRANSFORMER X-BAG is based on the innovative TRANSFORMER safety concept. The seat offers complete side impact protection with its compact enclosed shell design. The ergonomically designed seat shell ensures pleasant seating comfort when travelling. The TRANSFORMER X-BAG can be variably adjusted to the size of the child and will grow with your child, from age three through to 12. The button-operated VARIOSIZE SYSTEM allows the seat to be adjusted to the precise height of the child – both the height of the headrest and the height and width of the shoulder protectors can be simultaneously adjusted in 20 progressive stages.

Dimensions: L 45 x W 45 – 55 x H 63 – 82 cm / Weight: 7.7 kg

- STEPSIZE SYSTEM: headrest height and shoulder protector height and width can be precisely adjusted with 20 different position settings
- TWINFIX SYSTEM: strap system, simple attachment to the Isofix points in the vehicle for improved side-impact protection
- TRIPLE LAYER IMPACT PROTECTION: three cushioning layers for even greater safety in the event of a side impact
- Strap guide opens at the touch of a button, locks automatically
- Soft, padded covers, easy to remove and wash
